

Iris on the Move™

THE Next Generation in Identity Assurance

Princeton Identity delivers world-class iris biometrics solutions with unprecedented speed, accuracy, and convenience thanks to **Iris on the Move™** - our proprietary innovation at the heart every product we offer. User motion? No problem!

Princeton Identity is trusted by top global industry leaders to harden security and save money for their most critical operations. And, we're the only solution on the market with the exclusive Iris on the Move™ technology, because we believe identity assurance should be all about **You, Not Your Appearance!**
